## Phase I

Out of 11 nos. ESR (elevated service reservoir), construction of 9 nos. ESR completed at Ward No. 04, 15, 20, 21, 23, 30, 31, 34 and 35. There are 2 nos. ESR at Ward No. 27 and 29 are also on the verge of completion.

Works started by KMDA for laying of rising main for first phase at Kandarpapur and J.N.Bose Road. Laying of rising main is almost completed except at few places where jack push technique will be used to cross railway track or important road, the places are Chowhati, Subhasgram Railline, Kamalgazi, SD More and Kounik Society. Pipe laying will be started soon at Sikdarpara, Gazipur, Chowhati and New 16 Foot Road starting from J.N.Bose Road.

There is a water treatment plant including clear water reservoir under construction at Peyarabagan, Ward 31 and overall progress is about 40%. Out of two underground reservoirs, one is completed at Ward No. 08 and another is in progress at Ward No. 04. Due to ongoing pandemic over all progress of the project is delayed a little bit.

Under Ground Reservoir at Ward No. 08

## Phase II

Municipality is glad to announce that the DPR for Phase-II works amounting to about Rs. 288 Crore prepared by KMDA has been approved by the Competent Authority. There are proposal of 8 nos. ESR, approximately 11.04 KM rising main and above all intake jetty and approximately 17.00 KM long raw water transmission main. Intake jetty is proposed to be constructed at Bhoot Ghat, near BNR, Kolkata. Raw water transmission main will be mainly laid by open cut method and over pedestal at Tolly Nallah portion, though trenchless technology will be adopted at few locations. Construction of intake jetty and laying of raw water transmission main will be started soon. Other components are in the process of tendering by KMDA.

## **Housing for All(2020)**

Housing for all is a mission to provide housing for all by the year 2022, by that time Nation completes 75 years of its Independence. Under this scheme, affordable houses will be built in selected cities and towns using eco-friendly construction methods for the benefit of the urban poor population in India.

Housing for All" Mission for urban area has been implemented with effect from 17.06.2015 to provide central assistance to implementing agencies. The Credit Linked Subsidy,beneficiary led construction Scheme is being offered under this mission.

In rajpur sonarpur municipality the project was initiated in 2015.1st phase of this project is 2015-16.

In this phase the total number of beneficiaries are 872.we have utilised the government fund almost 92% by constructing the house of the beneficiaries.apart from this dwelling units construction ,we also ensure to submit our matching grant for the purpose of infrastructural development of those areas where the construction is being done.

Presently we have started the 2nd phase of this [project.2017-18.in](#) this project the total number of beneficiary is 800.

We have already started the 2nd phase of this project simentenously.

We have also submitted the DPR of the housing for the financial year of 2019-20
