Implementation of Online Building Plan, Online Trade License & Online Tax Modules at 6 Offices under Rajpur-Sonarpur Municipality

Rajpur-Sonarpur Municipality has been planning to promote several E-Governance Services at all its Branches so that Citizen of this Municipality area can find transparent and hassle-free service. With the guidance of Joint Secretary, Urban Development and Municipal Affairs Department, Sri Saikat Kumar Dutta and continuous efforts of Chairman, Rajpur-Sonarpur Municipality, Dr Pallab Das and Executive Officer, Rajpur-Sonarpur Municipality, Sri Rabindra Nath Ray, Rajpur-Sonarpur Municipality has already implemented Online Building Plan, Trade License & Online Tax Modules at 6 Offices under Rajpur-Sonarpur Municipality from June, 2018 onwards. Citizens of Rajpur-Sonarpur Municipality will be extremely benefitted by all these Services as the Services are fast, hassle-free and transparent. All these services will be available at <https://edistrict.wb.gov.in> Portal. Citizen of the Municipality will be required to apply at the portal and the required information and documents will be available at the concerned Departments of Municipality. Then concerned Department will verify all the necessary documents and if found ok those applications will be proceeded further for approval and Certificates will be available at the Citizen end via portal. Rajpur-Sonarpur Municipality will promote more Online Services like the afore-said services in near future to provide better service to all its citizen.

Welcome

e-District is a Mission Mode Project with the objective of making the State's services available to the citizens through a computerized system. The services may be availed of through Internet or by visiting any CSC-s (Common Service Center) or a Kiosk. It may not be necessary to visit the Government Offices for submitting the application, knowing the status or receiving certificate / license etc.

Housing for All

The Hon'ble president of India in his address on 9th June 2014 stated that , by the time the nation completes 75 years of its independence ,every family will have a pucca house with water connection, toilet facilities, and electricity supply and access. Keep this aim in mind Rajpur Sonarpur Municipality has also stated this housing for all project in 2014.After a intensive demand survey in each ward our municipality had submitted the Details Project Report to the central government.

Under this component, beneficiary can construct new houses on their own. A beneficiary desirous of availing this assistance shall approach the ULB with adequate documentation regarding availability of land owned by them.ULB shall validate the information given by the beneficiary and build a plan for the house. The fund from the central government to state government would be released for the construction; state Government should release financial assistance to the beneficiaries in 3-4 installments depending on the progress of the construction of the house. The progress of such individual house should be tracked through geo tagged photographs.

Project Cost = Total Value: 36800 Lakh

Central Share = 150000 lakh

State Share = 193000 lakh

Beneficiary Share = 25000 lakh

In 2015-16 Housing For all Projects covered 883 numbers of beneficiaries of this municipality. Presently 730 household constructions are completed in this financial year. ULB should contribute 50% along with state for the purpose of infrastructural development in housing for all projects.

In 2017-18 the total number of beneficiary is 800. We have received 1st installment of the construction of dwelling unit. After the verification of land documents and and building plan, beneneficiary will start the construction as soon as possible.

Comprehensive Water Supply Scheme under AMRUT

Phase I

Out of 11 nos. ESR (elevated service reservoir), construction of 6 nos. ESR completed at Ward No. 15, 20, 21, 23, 34 and 35. There are 5 nos. ESR at Ward No. 04, 27, 29, 30 and 31 are also on the verge of completion.

Laying of rising main is almost completed except at few places such as Sakher Bazar, Kandarpapur etc. After the upcoming festive season, these works will be started and completed as soon as possible. Jack pushing work at Garia Area and Subhasgram Rail Gate will also be started soon.

There is a water treatment plant including clear water reservoir under construction at Peyarabagan, Ward 31 and overall progress is about 30%. Out of two underground reservoirs, one is completed at Ward No. 08 and another is in progress at Ward No. 04.

Elevated Service Reservoir at Ward No. 34

Visit of the Hon'able M.P. – Jadavpur Lok Sabha Kendra at Water Treatment Plant Site

Phase II

Municipality is glad to announce that the DPR for Phase-II works amounting to about Rs. 288 Crore prepared by KMDA has been approved by the Competent Authority. There are proposal of 8 nos. ESR, approximately 11.04 KM rising main and above all intake jetty and approximately 17.00 KM long raw water transmission main. Intake jetty is proposed to be constructed at Bhoot Ghat, near BNR, Kolkata. Raw water transmission main will be mainly laid by open cut method and over pedestal at Tolly Nallah portion, though trenchless technology will be adopted at few locations.

AMRUT Project consisting of three phases is dedicated to supply drinking water to each household of this Municipality. This Municipality, at the same time, is concerned about the losses of water and probable scarcity of water in very near future, even few cities of our country faced this in the last summer. With a view to the same, this Municipality initiated an awareness program **“SAVE WATER, SAVE LIFE”** in a large scale. On 17th August, the program was inaugurated by the Hon'able MP - Jadavpur and MLA – Sonarpur South and Sonarpur North in presence of Chairman, CIC-AMRUT & Water Supply, all Councillors and all Municipality Officials at Jai Hind Auditorium. Expert in this field, Shri Samrat Moulik, a mountaineer, trekker and cyclist, delivered a brief speech and exhibited the present scenario how the water is being polluted and misused. Municipality is determined to prevent misuse and loss of water. Much more is awaited under this program.
